

## Job Posting:

# Aquarium Interpreter

### About the Discovery Passage Aquarium

The Discovery Passage Aquarium offers fun and unique hands-on educational experiences for people of all ages. Come to see, touch and feel our incredible local marine species and habitats and discover the diverse marine life of Discovery Passage and Islands. The Aquarium is open from spring until fall each year. Specimens from representative local species are collected from the marine environment in the spring and returned to the area of collection at the end of the season.

We aim to be an inclusive, learning organization with progressive hiring practices. We value our employees and volunteers and provide ongoing opportunities for professional development.

### Position Overview

Are you outgoing, upbeat, and full of curiosity? A creative and enthusiastic communicator, with a strong interest in the marine environment, natural history and conservation? If so, you might like to join us as an Aquarium Interpreter this summer.

We are seeking team players, with a passion for marine biology and a commitment to providing an exceptional guest experience.

### Qualifications

- Post-secondary education in a field of biological sciences, marine biology, education, tourism or related field is preferred
- Level 1 First Aid with CPR-C is an asset

### Desirable Knowledge, Skills and Experience

- Knowledge of local marine biodiversity, species, life history and habitats
- Experience in animal handling and interpretation is an asset
- Excellent interpersonal communications, presentation and public speaking skills
- Strong time management and organizational skills
- Ability to be creative and flexible with problem-solving skills
- Strong language skills in English are required. A second language is an asset

### Terms and Conditions

- Hours (per week): 32-40
- Term: Full time from May to early September. Schedule will include weekends and some evenings
- Pay: \$16.00 per hour, plus vacation pay. The Discovery Passage Aquarium is in Campbell River, BC
- Must be eligible for the Canada Summer Jobs Program (between 15-30 years and eligible to work in Canada);
- Must be able work safely in a physical environment (some lifting required)
- Must complete a criminal record check for the Discovery Passage Aquarium.
